**Re: Veyance Technologies, Inc. v. Dana Corporation,
et al. Case No. 07-CV-06169 (DAB)**

Dear Judge Batts:

This firm represents the appellees (the "Appellees") in the above-referenced appeal from an order of Judge Burton R. Lifland, United States Bankruptcy Judge, denying a request by appellant ("Appellant") Veyance Technologies, Inc. for an order enlarging time pursuant to Rule 9006(b) of the Federal Rules of Bankruptcy Procedure to deem as timely filed its prepetition administrative expense claims pursuant to Section 503(b)(9) of the United States Bankruptcy Code (the "Bankruptcy Code").

Granted
s/ DAB
10/2/2007

Pursuant to Section II.C of Your Honor's Individual Practices, I am writing on behalf of Appellees to respectfully request a ten page enlargement of the twenty-five page limit for opening briefs. The appeal concerns a new provision of the Bankruptcy Code, and many issues have been raised in connection therewith. Appellees submit that the additional ten pages are necessary in order to properly develop these issues before this Court.

We have consulted with counsel for the Appellant who has indicated that it has no objection to the extension of the page limit. In addition, we have advised counsel for the Appellant that Appellees will not object should Appellant seek an enlargement of the page limit for its reply.
